December	128	<ul style="list-style-type: none"> - 126 related to parking (98%) <ul style="list-style-type: none"> o 68 related to time parking (54%) o 12 related to residential parking only (9%) - 1 related to sleeping in vehicle - 1 related to animal management 	13	<ul style="list-style-type: none"> - 13 related to parking (100%)
TOTAL	1239	<ul style="list-style-type: none"> - 95% of all tickets are related to parking 	173	<ul style="list-style-type: none"> - 91% of all warning tickets are related to parking

A total of 1,239 BON tickets were issued in 2025 and 95% were related to parking violations. Over the year with changes in parking management, the number of residential parking only tickets declined and the number of time-limited parking increased. This coincides with the Township's parking strategy to implement more time-limited parking spaces and increase enforcement. Residential parking only is complaint based and complaints declined in the second half of the year.
