

CORPORATION OF THE TOWNSHIP OF ESQUIMALT

MAYOR'S AND COUNCILLORS' REPORT

From: Councillor Ken Armour

Council Meeting: October 26, 2020

Subject: Seeking Council approval to sit on the FCM Standing Committee on Municipal Finance and Intergovernmental Arrangements

RECOMMENDATION:

That Council approve Councillor Armour's application to the Federation of Canadian Municipalities (FCM) to sit on their Standing Committee on Municipal Finance and Intergovernmental Arrangements *and* any associated conference costs associated with this position.

BACKGROUND:

FCM's Standing Committee on Municipal Finance and Intergovernmental Arrangements is an important one for Esquimalt to be represented on because part of this committee's work includes analysis and recommendations regarding PILT funding from the federal government. In addition, this committee analyzes and makes recommendations around revenue sources for municipalities (including alternatives to property taxes).

Respectfully submitted,

Councillor Ken Armour
