RE: Tree Cutting Permit 2014 – 17 973 Wollaston -revised

Dear Roman:

This is to advise you that your Tree Cutting Permit Application at the above address to remove (2) Western Red Cedar trees has been approved, conditional that you provide a security deposit valued at \$300 for the replacement of the 2 Western Red Cedars in advance of the removal. Please make payment of this security deposit at the Esquimalt Recreation Centre.

If you elect to plant a tree(s) on your property, you may be eligible to receive your security deposit back in twelve months after the planting. Replacement trees need to be a minimum 4cm caliper for deciduous trees and 1.2 m tall for coniferous trees to qualify as a replacement tree.

If you decide not to plant a tree(s) during the course of the year on your property, the funds will be transferred to a tree fund and will be utilized by the Township of Esquimalt for planting in the public realm.

Yours truly,
