RESOLUTIONS TO BE RATIFIED

From the Committee of the Whole Meeting of April 20, 2026:

1. Parks and Recreation – Ocean Networks Canada Radar Proposal, Staff Report P&R-26-004

That the Committee of the Whole recommend that Council deny the installation of a marine radar by Ocean Networks Canada and the University of Victoria at Saxe Point Park.

2. GHG Reduction Pathway Through Building Retrofits, Staff Memorandum No. P&R-26-005

That the Committee of the Whole recommend that Council receive Staff Memorandum No. P&R-26-005 for information.

3. Small-Scale Multi-Family Housing (SSMFH) Options Report, Staff Report No. DEV-26-013

That the Committee of the Whole recommend that Council direct staff to consider more extensive amendments to the Small-Scale Multi-Family Housing related bylaws, and that prior to bringing forward draft amendments, staff be directed to undertake targeted consultation with relevant advisory bodies, including the Advisory Planning Commission and Design Review Committee, as well as small-scale developers, and to include a focused opportunity for public input, along with clear visual examples illustrating how the combined regulations function in practice, to support Council decision-making and public understanding; and

That Committee of the Whole recommend that Council direct staff to explore possibilities to temporarily pause further Small-Scale Multi-Family Housing applications.

4. Community Health Needs Assessment and Health Care Playbook Discussion – Mayor Desjardins and Councillor Boardman

That the Committee of the Whole recommend that Council direct staff to complete the 'Quick Win' items when possible and recommend that the creation of a Select Health Care Committee be included as an opportunity in next term's Councils Priority Setting Workshop.
