

H A Z L E T T H O M E S

June 9, 2025

Attn: Esquimalt Planning

A public meeting took place June 2nd, 2025. Please find a summary of neighbour feed back below:

A total of two neighbours representing two properties attended the meeting. One neighbour reached out by phone for discussion. A summary of conversations follows:

1. [REDACTED]
[REDACTED] He was interested to know about the Garry Oak in the yard to west of the proposed building. I assured him this tree will be protected and the proposed building was sited with critical root zone in mind. He was also interested in fencing and hedging between [REDACTED] properties. I informed him of the likelihood of a new fence as well as laurels to screen the yards.
2. [REDACTED]
[REDACTED] Her main concern was parking on the street. She was relieved to hear there would be 7 on site parking spaces for owners, one for each unit as well as 2 visitors parking spaces.
3. [REDACTED]
[REDACTED] He main concern was street parking. She was also relieved to hear there would be 7 on site parking spaces for owners, one for each unit as well as 2 visitors parking spaces.

Sincerely,

Andrew Mills, Hazlett Homes
