Attention: Anja Nurvo

Dear Anja:

I am writing to voice my objection to the proposed increase of roof height by the owner of 925 Esquimalt Road. As an owner that has a property adjacent to 925 Esquimalt Road that will lose a view of the Victoria, Oak Bay, Mt. Douglas and Mt. Baker.

The existing view I have was a principle reason I purchased my property and allowing a pitched roof will decrease my property value.

Increasing someone's property value at the expense of another should not be allowed.

Thank you,

John Wiley
