Thank you very much Jakub!

The bylaw looks great from my perspective. It feels like it strikes the right balance between aesthetics and achieving the goal of keeping the deer out.

Have a great weekend!

Sean.

Hello,

I saw the notice here: <https://www.esquimalt.ca/community-events/news/notice-public-hearing-deer-fencing-zoning-bylaw>

I could not find an electronic copy of the proposed bylaw / background information etc. Is it only available in person? Or am I just missing it?

Thank you!

Sean.
