To the Mayor and Council of the Township of Esquimalt

Info - Officer of By-Law Enforcement

The intent of this letter is to point out the parking issues caused by people who are believed to be non-residents of Aral Street in Esquimalt.

It has been noted that in the block between Craigflower Road and Treebank Road West, that there have been up to 7 vehicles that are believed to be non-resident vehicles. Some of these on occasion have remained in this area for in excess of a week at a time.

This issue came to a head approximately 10 days ago when a Handy Dart bus had to park in the middle of the road on Aral to pick up an elderly passenger. Due to the number of cars parked on both sides of the street, the driver could not park at the curb or get up the passenger's driveway thereby forcing him to park in the middle of the road. This caused a complete blockage of Aral road for approximately five minutes.

With the reported construction of Condominiums on the site of the former Triple Oaks Trailer Home Park, it is considered that parking problems in this area will get substantially worse.

We therefore respectfully request that the Mayor and Council make Aral Road a "Residential Parking Only" Street.

Thank you for your consideration of this matter.

Respectfully requested by the Residents signed below.
