**Subject:** Victoria's Vital Signs survey online NOW

Hello,

It's time for Greater Victoria's annual checkup!

We want to hear what Victorians love about living, working and playing in the Capital Region, and what needs improving, with the 2016 Vital Signs survey, online now.

The survey helps the Victoria Foundation to create the annual Vital Signs report, which in turn helps non-profit organizations, civic leaders and individual donors make decisions about granting, policy-making and charitable giving.

Complete the survey by July 1, 2016, to be eligible to win one of several gift cards to local restaurants.

Please share the survey with staff, associates, patrons and social media followers. Attached to this email is also a poster you can print and display.

Find a link to the survey on the Victoria Foundation website at [victoriafoundation.ca](http://victoriafoundation.ca). And find the 2015 Vital Signs report at <http://victoriafoundation.bc.ca/vital-signs/victoria>.

Thank you,
