➤ Contacts – Without Dogs *	132	<b>74</b>	132	<b>74</b>

\*These numbers represent the number of contacts with people that VACS officers have while patrolling the parks. These statistics were not captured in previous years; however they represent an important part of the work that VACS officers do during their preventative patrol time in Esquimalt. VACS reports that the vast majority are positive encounters, and people are appreciative of the presence of the Animal Control Officers in the parks and trails.
