Hello Mayor Desjardins and Township of Esquimalt Council,

Please find below links to supplemental information supporting our presentation to council next week. As we only have a short time to present, we are providing these additional details and background to help inform our presentation and discussion. We look forward to seeing you all!

Thank you for your support for our work to date. Despite the challenges ahead, we are leaning into a strong, focussed, values-aligned and opportunity-driven agenda through the Rising Economy 2030 plan and The Possibility Charter. We're looking forward to working together to build a better future together for Esquimalt and the entire region in the years ahead.

All the best,  
Aaron
