Dear Mayor Barbara Desjardins:

Re: Royal Bay Waterfront – Pre-Feasibility Study-Passenger Ferry

On behalf of the City of Colwood, I would like to extend my appreciation for your communities' support of a passenger ferry terminal on the Royal Bay waterfront in the City of Colwood and a passenger ferry terminal in the City of Victoria. The City of Colwood recognizes that your support is subject to further studies regarding potential impacts to the shoreline and the capacities of supporting transportation infrastructure.

The City will be forwarding the documentation received by your Municipality to the South Island Transportation planning process demonstrating our collective support for this initiative.

Should you require further information regarding the above, please contact me or my Assistant, Nora Brooks at 250-294-8144 to arrange a meeting.
