To the Council Members of the Esquimalt Township:

**Re: Application to Expand Existing Liquor Retail Store
852 – 858 Esquimalt Road, Esquimalt BC**

As I'm sure you will recall, development permit number 06/2011 was approved in February of 2012 and again extended until February 2016 in 2014.

We are hereby making the above application with the specific purpose of economically stimulating the neighbourhood to inspire and foster demand for the residential developments originally approved

Our application is to expand the existing liquor store to occupy all of the commercial space currently existing on the property at 852-858 Esquimalt Road. Situated in the largest Francophone community, our aim is to formally recognize the French influence in our culture, food, and beverages by developing a "French Village" which embraces and celebrates the impact this rich culture has had in our everyday life in our community, province and country.

LCLB policy requires us to secure an endorsement from the Township in order for this application to be considered by the provincial regulatory agency. Confident that we can establish a retail experience which is entirely novel and unique to anything else in the Greater Victoria area, we sincerely look forward to council support.

Sincerely,

Sam Yehia
