Mayor Desjardins: We have met before, my name is Jack Peake. Today I represent the Vancouver Island Transportation Corridor Coalition. We are a formally created organization formed from a group of informal organizations whose purpose is to support restoration of the E&N Rail Corridor currently owned by the Island Corridor Foundation. We have a website and would appreciate it if you would give us a letter of support which could be placed on our website VITCC.CA. I personally have been involved since the ICF was formed in 2006 and have stayed involved in order to ensure that our very valuable rail corridor is put to it's highest and best use. That being various rail services including commuter, intercity passenger, freight and tourist trains. Our current circumstances make it a perfect time to fund the restoration. This benefits the economy, the environment and recovery from our current pandemic and all its problems. A letter of support signed by yourself and your council, sent to me will find it's way to our website and be added to the many others supporting our efforts.

Thanking you in advance

W.J. (Jack) Peake
