Email - Esquimalt United Church Justice Team - UBCM

Biodiversity Resolutions

I am writing to the council to fully support The EUC Justice Team letter which would be grateful if Council could follow up with the Premier to support the Implementation of UBCM Resolutions EB32 and NR38: Establishment of a Local Natural Areas Protection Fund and Provincial Biodiversity Law. Municipalities and regional districts across the province have been sending letters to the Premier requesting that the nature-based solutions presented in EB32 and NR38 become a reality.

Thank you
