Dear Mayor and Council,

I am contacting you today on behalf of the SOGI team, (sexual orientation gender identity) of Victor-Brodeur. Our goal is to promote awareness and an inclusive environment throughout our school and the community.

Victor-Brodeur's SOGI team has discussed and thought it would be a nice addition to the Township of Esquimalt if there was a rainbow crosswalk outside our school. We would like to propose that the crosswalk at 637 Head street between Esquimalt road and Old Esquimalt road, directly on the street in front of the school, be used for the project. A number of municipalities around the province have voted in favour of painting rainbow crosswalks along significant routes to show respect and tolerance for others.

We hope our project can be realized and that we will be able to collaborate with you. We are hoping this email reaches you before or on May 17th as it is the international day against homophobia, transphobia, and biphobia.

We look forward to your response.

Sincerely,

The SOGI team
