I live at 501 Park Place and received the development notice yesterday.

4 and 6a seem reasonable.

7a seems absolutely ridiculous unless I am missing something.

Where will 41 people Park? My visitors are stuck with rare street parking that will be gone when the fences for the large apartment building on Carlisle goes up and the emergency services building is built.

If there will only be two people working in the building it makes sense.

What is the master parking plan? I hate that my children have to pay to visit me. (I do not have a 4hr Robbins resident pass and noone knows how to issue one).

Where are the police cars going to park?

The restaurant going in at the front cannot use underground parking because the gates are closed at 7pm.

Hope this isn't as awful as it looks on paper.
