Hi there,

Hope you are doing well and enjoying the warmer weather we've been receiving here on the beautiful island!

I wanted to write in as I came across your Facebook post this morning about lighting up in Purple in support of epilepsy and wanted to get in touch on behalf of [BGC South Vancouver Island](#), a non-for-profit that has been helping children, youth and families discover, develop and achieve their best potential as adults, leaders and citizens in our community.

My name is Carrie and I'm the Marketing Coordinator for BGCSVI and we are just gearing up for BGC Club Day on June, 7th – a national awareness day celebrating the opportunities BGC Clubs across Canada create for 150,000 young people and their families each year. We service many locations such as Esquimalt, Westshore, Central Saanich and Metchosin with our headquarters located in Esquimalt (just a stone's throw away from the Country Grocer!).

We would love to apply for a charity light up on June, 7th. With the help of our local community and government at all levels, it helps us continue to provide everything young people need, now and in the future!

Thank you for considering us and if you have any questions please let me know -

Kindly,

Carrie
