Moved by Member Seebaran, seconded by Member Schur: That the minutes of the Advisory Planning Commission meeting held on April 21, 2026 be adopted as circulated. Carried Unanimously.

#### 5. STAFF LIAISON UPDATE

The Manager of Development Services, provided an update on the following items:

- Small-Scale Multi-Family Options Report;
- Rezoning Application - 851 Old Esquimalt Road;
- Development Permit Application - 340 Sussex/1337 Saunders; and
- Development Variance Permit Application - 942 Wollaston Street.

#### 6. STAFF REPORTS

- 1) [26-136](#) Rezoning Application - 1048 Craigflower Road, Staff Report No. APC-26-011

Alex Tang, Planner, introduced the staff report and the applicant who presented a PowerPoint to the Commission.

Commission comments included the following:

- The proposed setback of the development is not in alignment with the neighbourhood, and if a variance is granted a precedent may be set that harms the character of the surrounding area;
- Galley style developments are not a preferred typology;
- If the space between the two proposed developments was removed, the setbacks could be adjusted to fit the neighbourhood context;
- This proposal is not aligned with the scale and massing of the neighbourhood, and while development is necessary, it should be implemented in a way that complements our existing communities;
- The rationale for justifying 6 units as opposed to 4 is not evident;
- The proposal's design could be elevated and improved for this prominent location;
- While galley style developments have been implemented in Esquimalt, they were approved in different neighbourhood contexts. This neighbourhood is predominantly single-family homes that are not imposing in massing or scale, and this proposal feels unsuited for the neighbourhood;
- Support was expressed for densification and development generally in Esquimalt and there may be an opportunity for this proposal to complement the neighbourhood with some changes to the design of the proposal.

Moved by Member Dewji, seconded by Member Schur: That the Esquimalt Advisory Planning Commission recommends that Council deny the rezoning application to authorize the proposed development of a 6-unit residential development consistent with the architectural plan and landscape plan provided by BDD Homes, to be located at 1048 Craigflower Road, as there is not sufficient rationale to support a 6-unit proposal, and additional consideration of the exterior of the proposed development should be conducted. Carried Unanimously.

**7. ADJOURNMENT**

Moved by Member Dewji, seconded by Member Seebaran: That the meeting be adjourned at 7:37 PM. Carried Unanimously.
