13. Nothing in this Agreement shall be construed to abridge the right of any holder of a business license to be heard by the Council or official considering whether to suspend the license.

14. Nothing in this Agreement affects the authority of the Council of a Participating Municipality to suspend or revoke any business license issued by that municipality.

15. Nothing in this Agreement limits the authority of the Council of any Participating Municipality to enact regulations in respect of any class of business under Section 679, 680 or 681 of the *Municipal Act*.

(b) include a copy of a bylaw adopted by at least 2/3 of the members of the Council of the withdrawing municipality, authorizing the withdrawal of the municipality from the licencing arrangement established by this Agreement,
