

Bryden Court Feedback Deadline May 16, 2016

Address	Name	Info received by: Call, Email, Mail	DateReceived	Option 1: All time parking restriction along the frontage of (625 Bryden Court)	Option 2: Limited time parking restriction along the frontage of (625 BrydenCourt)	Additional Comments	
1	George Robinson	Email	09-05-2016	In favour of Option 1		Strongly recommend all time parking restriction. Quite often cars are parked on the curve at night and could possibly limit access for emergency vehicles	
2	628 Bryden Crt	Kirk Unwin	Email	09-05-2016		In favour of Option 2	However if this is going to be implemented, you would have to consider residential parking signs on Bryden Court to reduce the overflow parking created by Victor Brodeur School as parents drop and pick up there children to and from school not to mention various school functions which also impact this situation. Please seriously consider the latter comment with regards to Victor Brodeur/residential signage.
3	626 Bryden Court	Anton and Debbie Coetzer	Email	09-05-2016		In favour of Option 2	
4	622 Bryden Court	Barbara Snyder	Email	09-05-2016		In favour of Option 2	Since the garbage trucks only come down this road on weekdays and during business hours, it's not necessary to prohibit parking along the frontage of 625 Bryden at all times. If parking is restricted in that location all the time, it will have quite an impact on residents as three parking spaces will be lost [and these are always occupied in the evening].  This past year there have been dozens of large trucks coming down the street to service the new construction at the end of the cul-de-sac and provided they go slowly, there doesn't seem to be a problem having vehicles on both sides of the road. I understand that the garbage trucks cannot go that slowly and that the lifts on the trucks also require more room for manoeuvring.
5	620 Bryden Court	Rose Sinnott	Email	10-05-2016		In favour of Option 2	The street parking can get congested and allowing limited parking at that location would be preferable.
6	614 Bryden Crt	Nell Postans	Email	11-05-2016		In favour of Option 2	
7	612 Bryden Crt	Kenneth and Doris Davies	Email	14-05-2016	In favour of Option 1		
8	610 Bryden Crt	Brock Davies	Email	14-05-2016	In favour of Option 1		
9	625 Bryden Crt	Jason Laschuk	Email	16-15-2016			Both the proposed parking restrictions the city has mentioned are far too harsh for waste collection that happens only bi-weekly on this street. You don't need all time parking restriction or even limited parking restriction 7am to 5pm Monday to Friday in front of this property. I would suggest if you are going to implement any type of parking restriction you have it on the day the garbage truck comes down the street. (ie. Thursdays 7am-5pm).
10	624 & 630 Bryden Crt	Mark Unwin	Email	22-05-2016			
11	611 Bryden Crt	John and Sandra Ouellette	Email	23-05-2016		In favour of Option 2	

3 - In favour of Option 1

6 - In favour of Option 2
