Good afternoon Mayor Desjardins,

Colleen has let me know that Esquimalt will be joining BCSPi. We are extremely pleased to have you join the Initiative.

Each BCSPi member nominates a political-level (Board or Council) lead to sit on the BCSPi steering committee and a staff lead that we can work with to manage taking social procurement forward in their organization. This is usually a CAO/CFO type leadership position that can provide direction and allocate resources accordingly.

Our next step would be for me to send steering committee invitations to your political lead and a welcome package to your nominated staff lead. I will also advise the City of Victoria to send an invoice for your member dues. Would you please be able to let me know who will be nominated for both these roles?

Best,
Rob

Morning Barb, that's great! I've copied Rob on this email as well so he can provide any further information you might need in support of tonight's Council meeting. The fees for BCSPi are based on your AVICC member dues. Please don't hesitate to let me know if there's anything else you need. I'm looking forward to hearing how your Council meeting goes.

Best,
Colleen

Hi Colleen: your note is on our agenda tonight and I would like to anticipate the cost of membership. You indicate its the same as municipal association fees, are you referring to AVICC fees? Or UBCM? If I can understand this I can get the numbers from staff for councils consideration.

Thanks
