To whom it may concern,

We are fine with 1188 Esquimalt Road covering their existing deck with a sunroom.

Subject: re variance

Regarding Variance at 1188 Esquimalt Rd.

By all means allow this business to expand and utilize the variance bylaws to accomplish their requirement.

It will in no way impact anybody in the neighborhood, as it is already visually secluded from the street, and the only immediate building.

The idea of expanding the deck to a sunroom is a wonderful gift to the residents already there and will add much to their enjoyment of life.
