Moved by Member Schur, seconded by Member Dewji: That the Minutes of the Advisory Planning Commission meeting held on June 17, 2025 be adopted as circulated. Carried Unanimously.

5. STAFF REPORTS

- 1) [25-257](#) Development Variance Permit - 640 Lampson St - Staff Report No. APC-25-015

The Manager of Development Services introduced the item and the applicant who presented a PowerPoint to the Commission. Staff and the applicant responded to questions from the Commission.

Commission comments included the following:

- The proposed variance seems reasonable and does not pose any obvious problems;
- The applicant was encouraged to retain the tree canopy to the greatest extent possible;
- Concern was expressed that future work or improvements may need to be done down the road;
- Support was expressed for the aims and objectives of the request and maintaining the character of the road.

Moved by Chair Sukhdeo, seconded by Member Schur: That the Esquimalt Advisory Planning Commission recommend to Council that the variances requested, which will remove the requirement for much of the frontage works and services along Fernhill Rd for the development at 640 Lampson Street, be approved as it minimizes the impact to the community.

6. ADJOURNMENT

Moved by Member Schur, seconded by Member Nugent: That the meeting be adjourned at 7:17 PM. Carried Unanimously.
