Re: 2018 Canada Day Celebration

Dear Mayor Desjardins,

The Canada Day celebrations held annually in Victoria are a reflection of our national heritage and identity. As the biggest event on Vancouver Island, *Victoria Celebrates Canada Day* is well known, attracting more than 75,000 people, while it continues to expand its reach. It is only through the support of municipalities and corporate sponsors that we are able to produce an event that welcomes all residents and visitors to the Capital Region.

On July 1, 2018, local and national businesses and organizations have the opportunity to connect with a wide demographic to generate valuable brand recognition while demonstrating active support for our community.

With a Main Stage featuring live entertainment, an international food village, and family activities, this national celebration remains an anticipated and engaging community event. Over the past decade there have been performances by internationally recognized artists, such as Arkells, Radio Radio and Fred Penner, and homegrown favourites like Jon and Roy, Hey Ocean!, Quoia, the Odds, Current Swell, and Charlotte Diamond. In addition, the past few years have seen a successful green initiative, which will continue with the free bike valet, water bottle refill station, and an expansion of disposal containers.

We invite the Township of Esquimalt to be part of this event and welcome your participation as a sponsor. We kindly ask for a \$1,500 contribution for the Canada Day celebration as a recognized Sponsor Event Friend.

As in the past, your support will be acknowledged through the *Victoria Celebrates Canada Day* website, through recognition in media, and through on-site signage along the inner harbour.

Thank you for your consideration as we develop the Capital Region's largest community celebration of the year. Please find the sponsorship information attached to this email.

Sincerely,

Charlayne Thornton-Joe
Councillor, City of Victoria & Canada Day Celebration Organizer
