SCHEDULE “C”**FEES AND RENTAL CHARGES**

[Bylaw No. 3080]

General Principles for Fees and Rental Charges

1. The Esquimalt Parks and Recreation Advisory Committee may review the Fees and Rental Charges on an annual basis and may forward recommendations for new fee or rental charges, and proposed fee and rental increases to Council for approval.
2. Fees and Rental Charges will be based on the following principles:
 - 2.1 Parks and Recreation users will share with the taxpayers of Esquimalt the cost of providing parks and recreation services.
 - 2.2 Subject to the subsidy policy, fees and rental charges will be based on recovering the direct cost of providing a service.
 - 2.3 All fees and rental charges collected will be used exclusively to deliver Parks and Recreation Services.
 - 2.4 In general fees and rental charges will be based on the benefit the service provides to the community as a whole. High benefit to community will result in high subsidy (low fees) and low benefit to community will result in low or no subsidy (high fees).
 - 2.5 Wherever possible the Municipality will receive a share of the profit from “for profit” events that take place in Parks and Recreation facilities. For profit events will not be permitted to displace high benefit community events in Parks and Recreation facilities.
3. Fees and rental charges will be calculated according to the following criteria:
 - The direct cost of providing the service
 - Average pricing for comparable services in the Capital Region
 - Subsidies provided to specific users.
4. Fees and Rentals Definitions
 - 4.1 Fee Categories
 - Child – 12 years and under
 - Youth – 13 -18 years
 - Adult – 19 - 59 years
 - Senior (60 years and over) / Student (need valid student id)
 - Family – 2 adults and children 18 years of age and under living in same household (maximum 5 people)
 - 4.2 Community Group: a non-profit volunteer group open to all residents in an Esquimalt neighbourhood and / or community of Esquimalt, who use a Parks and Recreation facility for a community activity.

-
- 4.3 Commercial Group: any for profit activity or organization using a Parks and Recreation facility for profit purposes, including charging admission and or user fees for the activity or event. This will not include community groups who charge a user fee for regular events and activities.
- 4.4 Base Rate: the amount determined by the Director of Parks and Recreation Services to operate a facility or service for one hour based upon budgeted expenditures and average number of hours operated.
- 4.5 Market Rate: a rate within the range of rates for a comparable service at Saanich, Victoria, Oak Bay, Westshore, or Panorama recreation facilities.
- 4.6 Full Day Bookings: bookings that are single use and make the facility inaccessible to other users. Rate charged is based on a 12 hour rental day. Full facility bookings at the Sports Centre (ice rink/curling rink) will receive a further 25% discount.
- 4.7 Support Costs: a charge may be added to any rental fee for an event or large booking for set up, take down, garbage, electrical costs, and any other actual exceptional cost incurred by Parks and Recreation Services in hosting the event. Events that require previous day setup where the public does not have access will be charged a ½ day rental fee.
- 4.8 Prime Time
- Arena – weekdays between 3:30 pm and 11 pm and weekends between 6 am and midnight.
 - Curling Rink – September 15 to March 15, weekdays between 6:30 pm and 11 pm, and weekends between 10 am and 10 pm.
- 4.9 Equipment: the municipality rents sports equipment and event equipment at market rates. Wherever possible, rates will recover wear and tear on equipment.
- 4.10 Parks and Recreation Services Program: a recreation or parks program operated by Parks and Recreation Services. In general these programs will receive precedence over rental allocations.
- 4.11 Direct Program Costs: includes all direct costs to operate a program including but not limited to program materials, facility or equipment rental, the cost of instruction or leadership, transportation, promotions, food, and a 10% administration cost.
- 4.12 Community User Group Initial Meeting Program: This community development initiative is designed to support newly formed Esquimalt community groups in the initial organization of their volunteeractivities. A majority of members of the community group must be Esquimalt residents. This policy permits Parks and Recreation Services to provide up to 5 free organizational meetings (not activity sessions) within **the first year of the group's** formation in either the

Recreation Centre or Sports Centre (3 hour maximum) to a qualifying group on an as available basis.

- 4.13 Contractor and Revenue Share Program: Parks and Recreation Services offer a number of parks and recreation programs to the community where revenues are shared with a contractor. The split for these types of programs will be based upon a minimum 50% of total revenues, although different ratios may be negotiated by staff based on what the contractor contributes to the program. Subsidies are not applied to Contractor and Revenue Share programs, although program staff will keep affordability in mind with children, youth, and family programs.
- 4.14 Youth Friday Nights: Parks and Recreation Services has designated Friday night in the Recreation Centre as "Youth Friday Night" where activities in the facility are provided for youth.
- 4.15 Advance Bookings: Room space and park facilities, with the exception of sport fields, may be booked up to one calendar year in advance. User groups are required to pay the fee that applies at the time their event takes place.
