Subject: Tour de Rock Day - Esquimalt

Hello Barbara Desjardins,

As you know, the Tour de Rock is approaching with the kick-off being on September 19th!

We've been contacting all 27+ communities that we visit during the Tour de Rock and asking that it be pronounced "Tour de Rock Day" on the day that we arrive in your community. Oak Bay was the first to do so and has challenged other communities to do the same!

The Tour de Rock arrives in Esquimalt on Friday, October 2nd. Is there a way to have this day pronounced "Tour de Rock Day"? We would promote this with all our media resources on the day we are in your community. I have attached a draft proclamation that has been designed for your community. Your support would help promote the Tour and ultimately help kids on Vancouver Island who are battling cancer.

On another note, last year we made a special video to say Thank You to all the communities that support the Tour de Rock – here it is if you have not seen it yet:

Thank you so much for your time, please feel free to contact me if you have any questions!

Cheers,
Chanpreet
