Hi,

Thank you for the notice regarding the liquor licence application by the owner of Saxe Point Public House.

My family and I are residents of Esquimalt Town Square. The restaurant is located in a residential area.

1. I am concern about noise level during the late night operating hours (till 11pm/midnight).
2. Where will the patio be located in relation to the restaurant? As mentioned in point 1, I am concerned about the noise level.
3. Parking: parking spaces are very limited around ETS, especially with the growing population around ETS and the upcoming rental apartment project. Will more parking spaces be made available for the patrons?

Thank you for taking the comments into consideration.

Regards,  
Ming

I wholeheartedly support Saxe Point Pub and a liquor license. Esquimalt NEEDS an establishment like this.

Dear Mayor and Council

I write this letter as a community and business member of Esquimalt. I would like to offer a letter of support for the liquor application. This is so exciting for the community to have a place to bring family and friends. It will add vibrancy to the community. Agreed the patio closed by 10pm easing any late-night noise to the residents of ETS. The space was purpose built as a pub/ Restaurant from its conception.

I look forward to inviting my friends from over the bridge to come and enjoy what Esquimalt has to offer in our first social house since the loss of the Tudor house July 2013.

Thank you

Dear Mayor and Council,

We write this letter as community members of Esquimalt and residents of The Spruce at Esquimalt Town Square. We would like to offer a letter of support for the liquor application for the upcoming Saxe Point Public House.

This is an exciting and important opportunity for Esquimalt - to have a place for the community, for families and friends to meet, enjoy local food and drinks. With the patio closed by 10pm we don't expect any noise-related issues for us tenants living in the same building.

We are looking forward to this new addition to the thriving Esquimalt hospitality industry - the Saxe Point Public House will close a gap that existed since the loss of the Tudor House.

Thank you,  
Simone Dubi and Steve Rau

Dear Council Members,

I am writing to express my full support for this business and their liquor application as outlined in the notice I received. I own a condo in the Douglas building and could not be more thrilled to see the addition of this pub to the coffee shop and library already present.

Pubs are an important part of a vibrant and healthy community. With the loss of The Tudor House and Gorge Point pubs our community (Esquimalt) is lacking in these ever-so-important meeting places - to build community within our community and keep our hospitality dollars spent in Esquimalt.

Feel free to reach out if you have any questions or need further comment. Thank you for reading.

Matt
