Dear Resident,

Re: Notice of Proposed Parking Restriction on Bewdley Avenue

You may be aware that the Township is processing a development application for the English Inn property. As part of the development application, the applicant is requesting to use the existing Hither Green Park as a primary fire lane in order to adequately provide fire protection services to the proposed development. Should this proposed development be approved, several parking spots on the south side of Bewdley Avenue across from Hither Green Park will need to be removed and a 'No Parking' restriction will need to be implemented to ensure that there is adequate access for the fire trucks to the development site. This would be a permanent change and would need to be implemented upon approval of the development.

Attached is a sketch of the proposed parking changes. The Township is seeking your input on the parking change and will consider the results of the feedback in the decision making process.

Please submit your written feedback no later than **August 15, 2017**. Feedback can be submitted in person to the Engineering Department at the Municipal Hall, 3rd Floor, emailed to engineering@esquimalt.ca, or mailed to:

Engineering Department
Township of Esquimalt
1229 Esquimalt Road
Esquimalt BC V9A 3P1

If you have any questions, please submit them to the email address above or call 250-414-7108.

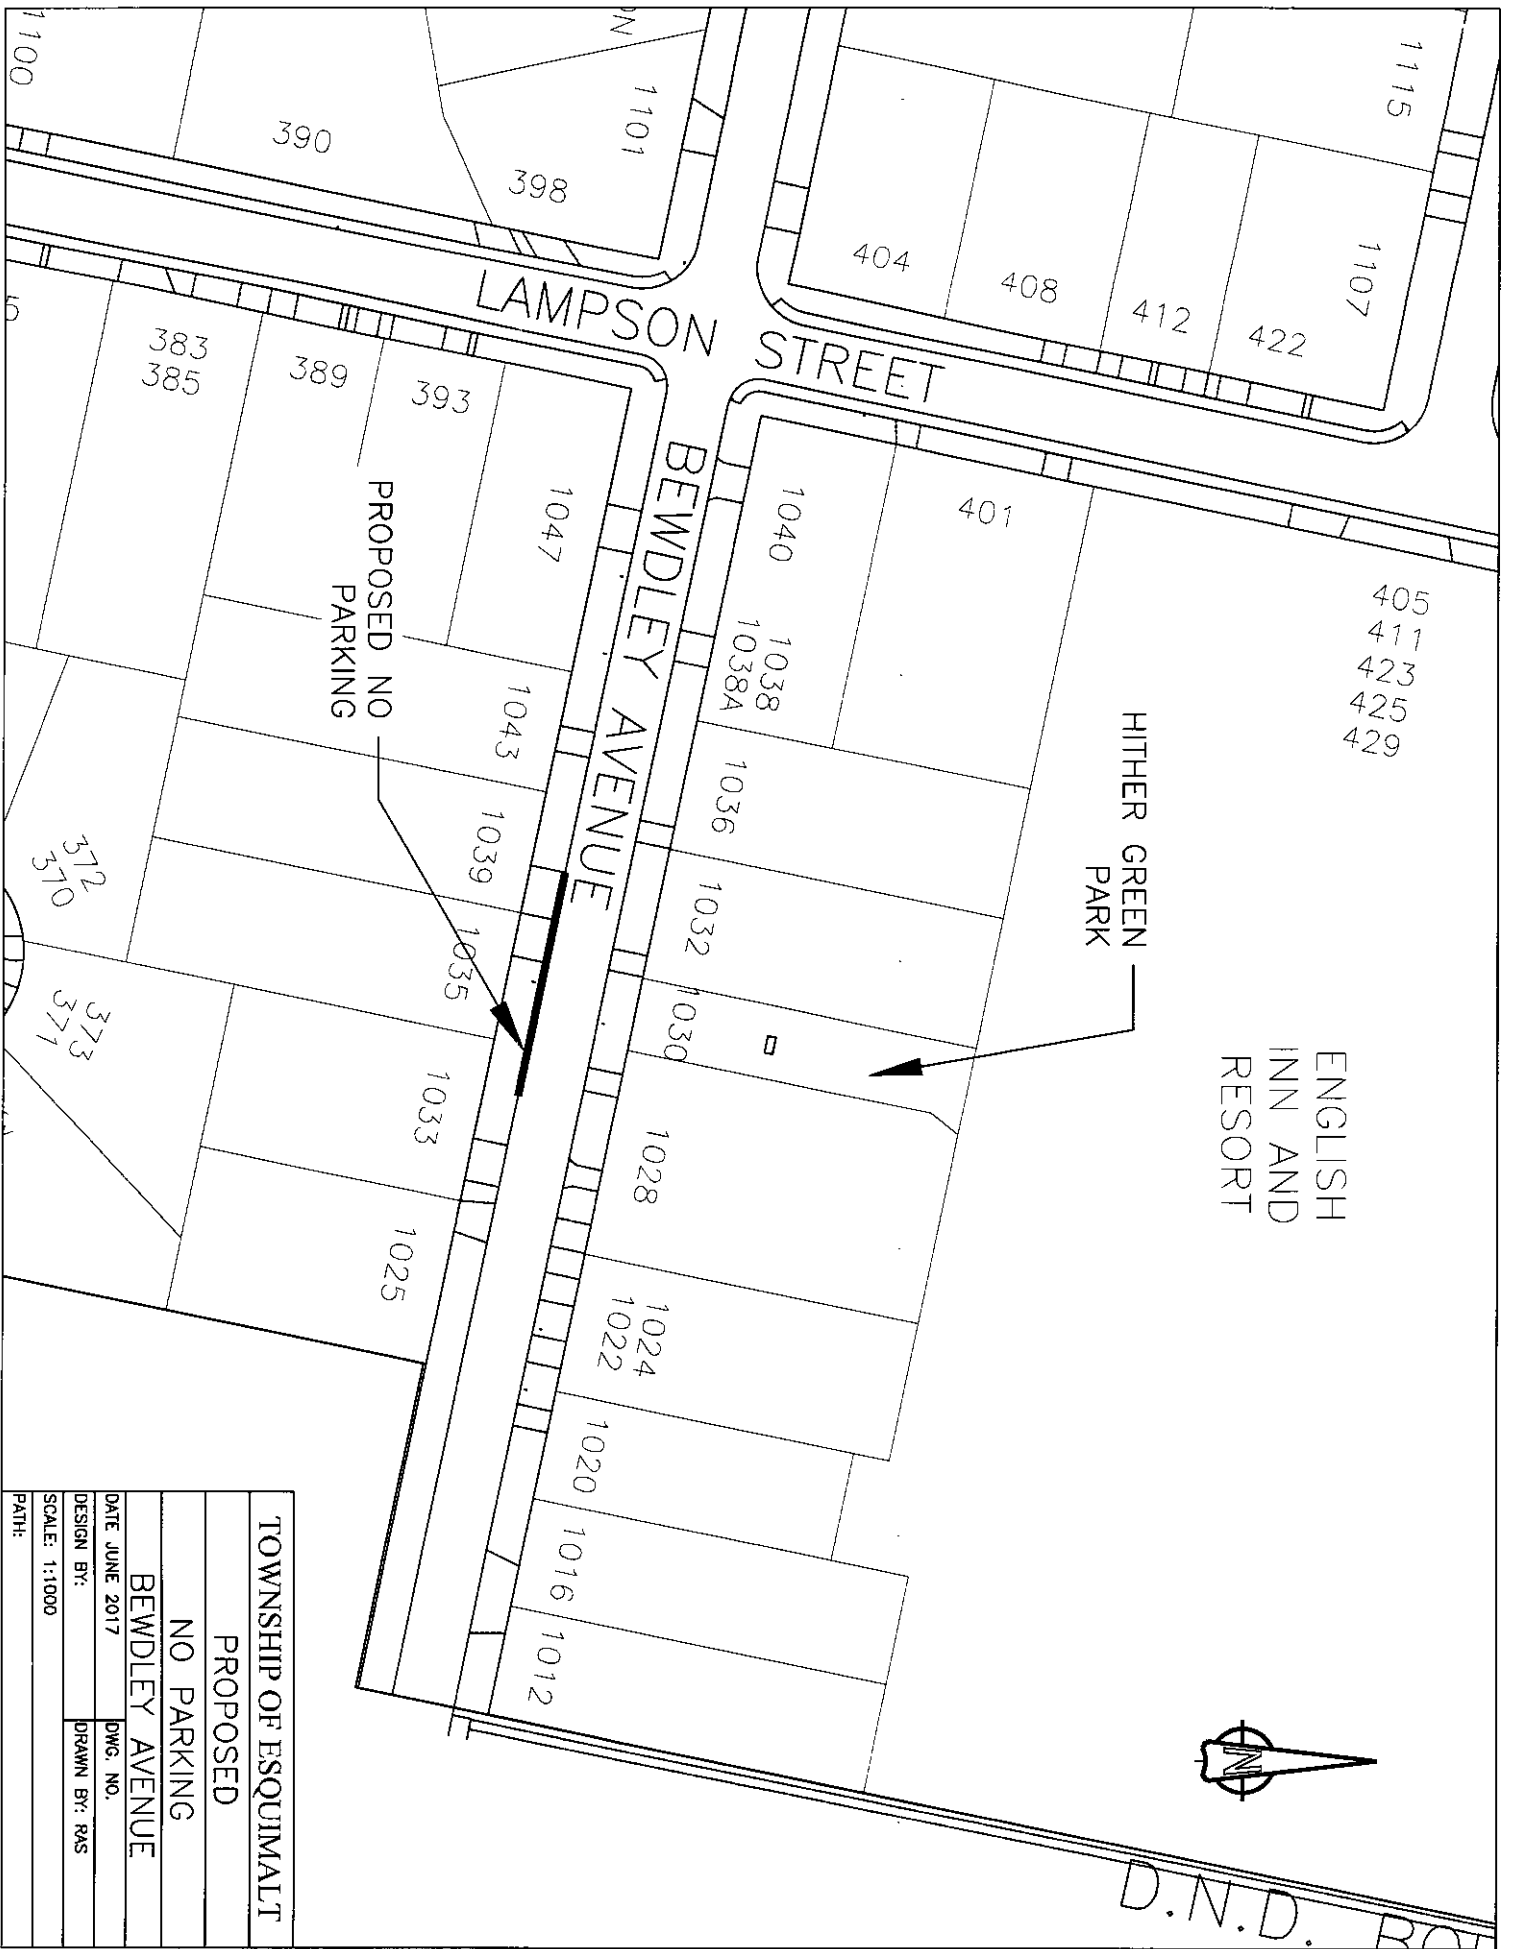

Sincerely,

A handwritten signature in blue ink, appearing to read "Will".

Will Wieler, ASCT, PMP
Engineering Manager
