MAYOR'S AND COUNCILLORS' REPORTS

Report from: Mayor Barbara Desjardins

Subject: Appointment of Alternate Council Representative to CRD Regional Growth Strategy Non-binding Dispute Resolution Process

Council Agenda: October 2, 2017

Recommendation

That Council appoint an alternate Council Representative to the CRD Regional Growth Strategy Non-binding Dispute Resolution Process and direct staff to advise the CRD of the new appointee.

Background

At the Council meeting on June 12, 2017, as recommended in Staff Report DEV-17-031, Council passed the following Resolution:

“That Council accept the proposed non-binding dispute resolution process as outlined in Schedule B and appoint Councillor Burton-Krahn, the Chief Administrative Officer and the Director of Development Services as the Township’s representatives in the process and notify the Capital Regional District forthwith.”

Since then, Councillor Burton-Krahn has advised that she is not able to attend the mediation sessions due to other commitments, since the time required for the mediation process is up to 3 straight days from 9am-9pm.

Accordingly, I request that Council consider appointing another Council Representative to this process.

Respectfully submitted,

Mayor Barbara Desjardins
