Dear *Mayor Desjardins,*

I am writing this letter to confirm that the Base Commander's Office has reviewed plans for Corvette Landing as well as the plans for landscaping with a focus on conceptual drawings of the area between our two properties. Mr. Troy Grant has reached out to us and visited our offices on more than one occasion to keep us apprised of this project.

On 18 January, 2018, I and representative from Base Operations and Real Property Operations met with Mr. Grant to discussed timelines for construction, construction methodologies, and the benefits that this project will bring to the local neighbourhood. We reviewed conceptual drawings and agreed to work with the team from Corvette Landing toward developing a landscape plan as it pertains to our realm.

Sincerely,

D.S. Smith
Chief of Staff
