Hi

The South Island Prosperity Project held it's second AGM yesterday in the magnificent Hatley Castle at Royal Roads University. It's been a spectacular year of progress, collaboration and growth.

Membership is up by over 200% over last year, and SIPP is a finalist in the Government of Canada's Smart Cities Challenge , one of 20 chosen from 130 applications. More about that is found on these sites:

<http://www.infrastructure.gc.ca/cities-villes/index-eng.html>
www.smartsouthisland.ca

You can find out more about ongoing SIPP successes like the Prosperity Index, The Open Innovation Challenge, Indigenous Connect, Business Connect, the Prosperity Summit here:

If you were at the AGM you saw the video created to provide a look a the past year and the year ahead. The video is here for you to watch for the first time or enjoy again ☐
