Hi Ian,

Hope you enjoyed the long weekend!

Further to the following email and related attachment, we need to bring a SIPP letter of support forward for Council approval at our next meeting on Feb. 25. As the email notes, we should also customize the letter a bit so that it's not the same form letter of support coming from each SIPP partner. Is this something that staff can work on? I'm happy to provide input as needed and also to review a first draft. Finally, can staff take a best shot at filling in the attached form to showcase what transportation/mobility projects/spending we are planning from 2020 to 2025? This won't require Council approval but we can table as an associated info item when we seek approval on the letter.

Thanks for following up on this. Please let me know if you have any questions.

Cheers, Ken

Subject: UPDATE and Reminder - TIME SENSITIVE – Response Required for Smart Cities Challenge Due March 1st

Hi all,

I hope you're all having a good family day weekend. This is a reminder (and you'll get another one at the end of this week!) to fill out the attached form and draft a letter of support and send these to Danielle in my office no later than Friday March 1st. I've attached it as a word doc for ease. Please customize your letters of support so we don't all sound the same!

We are in the final crunch right now for getting our \$10 million application in! On that note, *please reserve some time next weekend Feb 23 and 24* to read a draft of the proposal; it will come to us on Friday the 22nd. This will form the basis of our discussion at the next Partner's Meeting Tuesday Feb 26th from 3-4:30 at the Central Library (thanks Maureen).

Oh and one more thing, we will have a videographer at the Partner's Meeting videoing us working or some other creative thing for our 5 minute video submission. Just so you all know you'll be on camera that day.

Thanks all. We're almost there!

Lisa

Subject: TIME SENSITIVE – Response Required for Smart Cities Challenge Due Feb 29th

Good day all,

On behalf of Mayor Helps and Mayor Haynes please find attached one document containing: a letter, form and draft letter of support.

As discussed at our meeting on Monday the forms need to be completed and letters of support sent to Danielle St. Jacques in Mayor Helps office (dstjacques@victoria.ca) by **no later than February 29th 2019**.

Many thanks,

Mayor Helps and Mayor Haynes

1. Direct and Aligned Investments

Partner Name: _____

In the following table, please outline the description and type of direct and aligned investments. For example, if you are installing a new bus shelter, sidewalk bikelane, etc. this shows municipal infrastructure being invested to increase active mobility. Where possible, please include a monetary value or a quantitative value that can be monetized (e.g. in-kind staff time) over the five-year program.

The different types of direct and aligned investments include:

- **Funding:** Monetary amounts that will help to leverage the \$10 million grant.
- **Program:** In-kind materials, assets, or staff time to advance the initiative.
- **Research & Development:** Ideas, concepts, proposals and/or development that can be applied to the initiatives.
- **Collaborative:** Commitment to participate as a partner to share data, offer mobility services, connect to potential users, or align government and non-profit policy and advocacy objectives.

Please complete the following table with committed projects or investments (direct or aligned) that contribute to the Smart City Challenge outcomes.

Aligned Funding Table, For Five-Year Period (2020-2025)

Infrastructure Investment	Description	Est. Value (\$)
Example Projects: sidewalk improvements, additional bus shelters, bike lanes, digital/sensors, IoT, etc.	A short description that summarizes the scope of the projects	e.g. \$500,000
Planning and Policy Investments	Description	Est. Value (\$)
Example Projects: strategies, plans,	A short description that summarizes the scope of the projects	e.g. \$500,000

consultations, etc.
