Dear Mayor & Council,

Thank you for your support of our resolution regarding public access to waterways: (R14) *Recreational Boating Access Infrastructure, Township of Esquimalt*.

While things did not transpire as we had hoped at the recent Association of Vancouver Island and Coastal Communities Convention, we appreciate the Township of Esquimalt's support in advancing this issue.

We will not be putting a resolution forward at the Union of BC Municipalities in September, however, we will continue to pursue the issue of water access with municipalities.

Boating BC will have an exhibit at the UBCM tradeshow, as part of the September municipal convention, we hope any of you who are attending will stop by to say hello.

Sincerely,

Don Prittie
President

Because BC is better on a boat!
