

## MEMORANDUM

**DATE:** August 26, 2020

**TO:** Mayor and Council

**FROM:** Bill Brown, Director of Development Services

**CC:** Laurie Hurst, CAO  
Brian Cant, Chair Environmental Advisory Committee

---

**SUBJECT:** **July 23, 2020 EAC Motion re. Integrated Resource Management (IRM) Project**

---

At the July 23, 2020 Environmental Advisory Committee meeting, Graeme Bethell and Chris Corps, from Pivotal IRM Inc. provided a presentation via conference call and responded to questions from the committee regarding the Esquimalt IRM technical report. The presenters responded to questions from Committee members, Councillor Armour provided the committee with an overview of Council's progress with the project and the Committee held a discussion afterwards. The Committee then passed the following motion:

***That the Environmental Advisory Committee recommends that Council request that the consultant ensure the public engagement materials include strong visuals of the proposed system including the district energy component and more clearly explain the revenue sources and their degree of certainty.***
