Subject: Presentation to Mayor and Council - South Island Prosperity Partnership

Good afternoon Mayor and Council,

SIPP would like to thank you for your continued support and engagement.

As you may be aware, SIPP is looking to put forward a 5 year funding request to council and would like to arrange a time to present our current work and initiatives as well as the funding request. I understand that council meetings may have pivoted to an online platform and I'm just looking for the correct process to set up a time for presentation in August, September or October.

kind regards
