Hi,

I am sorry that I am not able to attend the Esquimalt Council meeting on Monday [REDACTED] then. I would have definitely attended as a show of support for the Jazz Festival [REDACTED], but the least I can do is to provide a written show of support as an Esquimalt resident. You may or may not be able to use it, but here it is, just in case it helps:

To Esquimalt Mayor and Council,

As an Esquimalt resident, I fully support the Township of Esquimalt providing in-kind support for the Victoria Jazz Festival in 2023. I attended the Jazz Festival in Bullen Park last year and enjoyed it thoroughly; as a jazz fan I was thrilled to be able to attend performances in my own home community. As we've learned from the success of Ribfest, once people learn about the venue in Esquimalt they will come from far and wide to have a safe, fun entertainment experience in a great outdoors setting. It's good for Esquimalt businesses and residents, and good for our visitors. Please help Jazz Victoria by providing in-kind support to this event.

Thank you,
Valerie Z Cameron

Esteemed council members, honourable mayor, and friendly Neighbors of Esquimalt.

The Victoria Jazz Festival is one of the many incredible offerings that brings vibrancy and the broader community together here in our backyard.

It would be a crying shame to miss out on hosting it in Bullen Park this year!

Last year our toddler Forrest, barely walking, was showing off some of her first dance moves under the summer sun at the Jazz fest, and this year her moves are even better! If for nothing else, help fund this awesome gathering so the residents of Victoria, young and old, can come together to dance!

The arts are at the core of a healthy community, and this festival plays a huge role.

I fully support anything that ensures this festival is hosted in Bullen park again this year!

Kindly,

Josh Marek
