

Potential Community Vision Statements

1. Esquimalt is a caring community that has strong relationships with our first nations, naval and regional neighbours. Our vibrant economy is supported by an engaged community. As a coastal community, we are stewards of our environment and value our past, present and future.
2. With a high quality of life, an involved community, and a focus on stewardship, Esquimalt is the most desirable municipality on southern Vancouver Island.
3. Esquimalt strives to be the most welcoming, involved, and complete community on southern Vancouver Island.
4. Esquimalt strives to be a complete urban community with high quality amenities and infrastructure for residents, local businesses and visitors.
5. Esquimalt strives to be a complete urban community that encourages community involvement.
6. Esquimalt strives to be a leader on southern Vancouver Island where others look for inspiration.
7. Esquimalt, we care.
