Dear Corporation of the Township of Esquimalt:

Everyone who comes through the doors of West Coast General Hospital in need of healthcare treatment benefits from donations such as yours. It is only through continued support and generosity from donors that the Foundation is able to keep our hospital up to date with current technology and equipment for patient care and comfort. We would like to thank you for being so thoughtful with your donation honoring the memory of Judy Downton .

The funds currently being raised will help in the purchase of new equipment for our hospital. Your donation helps to ensure that our hospital will remain the best possible health care facility to serve present and future generations.

You will receive a copy of our newsletter, *The Communicator*, twice a year to help keep you informed of what your donations are being used for. We hope you find it both interesting and informative.

Your tax-deductible receipt is attached. Again, your thoughtfulness is greatly appreciated.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ed Francoeur', is written over a horizontal line.
