BACKGROUND:

Appendix A: Zoning Bylaw, 1992, No. 2050, Amendment Bylaw No. 2915

Appendix B: Section 219 Covenant CA6919940-41 (as registered)

Purpose of the Application

Further to Staff Report DEV-18-034, the applicant is requesting a change in zoning from the current mix of Medium Density Apartment Multiple Family Residential [RM-4] and Low Density Townhouse Multiple Family Residential [RM-1] zones to a Comprehensive Development District No. 107 [CD No. 107]. This change is required to accommodate the proposed 12 storey, mass timber, 83 unit, multiple family, prefabricated, residential building including a glass enclosed 18 foot lobby, multiple purpose room and amenity space located at grade off Admirals Road and situated above mechanical and storage areas, and 3 levels of underground parking consisting of 83 spaces.

Amendment Bylaw No. 2915 was read a first and second time on February 26th, 2018 with a Public Hearing and Third Reading held on April 23rd, 2018. The applicant was not able to secure the amenities offered prior to the first Public Hearing. The Third Reading was then rescinded and Amendment Bylaw No. 2915 was amended and read anew at second reading on June 11th, 2018, with second Public Hearing held June 25 and Third Reading thereafter.

The applicant had volunteered a Section 219 Covenant, and Council accepted it as a condition of rezoning. Registration against the title of 669 Constance Avenue [PID 030-431-026, Lot 1, Suburban Lots 43 and 44, Esquimalt District, Plan EPP76107] in favour of the Township of Esquimalt in priority to all financial encumbrances was a condition prior to returning Amendment Bylaw No. 2915 to Council for consideration of adoption. The S.219 Covenant received final registration on July 12, 2018.

The conditions at Third Reading were as follows:

- Pre-construction of 10 units with accessibility features as detailed in Schedule 'B' of the draft Section 219 Covenant, attached as Appendix L to Staff Report DEV-18-034. Such units are to be sold to individuals with special needs, as evidenced by the appropriate Federal or Provincial ministry or agency, within an initial 90 day listing period, as secured by a Housing Agreement *[See next agenda item.]*

Council may wish to review the final registered Covenant CA6919940-41 to satisfy itself that these conditions have been adequately implemented.

ISSUES:

1. Rationale for Selected Option

See previous Staff Report DEV-18-034.

The S.219 Covenant has now been registered and the associated Housing Agreement signed by owner and mortgage holder.

2. Organizational Implications

Further to Staff Report DEV-18-034, this Request for Decision has no organizational implications.

3. Financial Implications

Further to Staff Report DEV-18-034, the developer's proposal requires the Township to be financially accountable for the burial of the power lines on Admirals Road that are not in front of the subject property, unless an adequate alternative is achieved (which the Covenant addresses).

4. Sustainability & Environmental Implications

Further to Staff Report DEV-18-034, the applicant has completed the Esquimalt Green Building Checklist, detailing green features that will be considered for inclusion in the development should it be approved. Of particular note is the applicant's commitment to construct the building to meet Passive House certification

5. Communication & Engagement

In accordance with post-public hearing considerations, no further communications or engagement are brought to Council.

ALTERNATIVES:

1. Council upon considering comments made at the Public Hearings, resolves that Zoning Bylaw, 1992, No. 2050, Amendment Bylaw No. 2915 be considered for **final adoption**.
2. Council defeats Amendment Bylaw No. 2915.
