## **BACKGROUND:**

The Landscapes of Injustice collective presented a proposal for historical displays at the Esquimalt Gorge Park Pavilion to honour Japanese Canadian contributions to the region and to engage the public with the history of the site. The Esquimalt Parks Advisory Committee received this presentation on May 20<sup>th</sup>, 2021 and endorsed support for the project. On June 28<sup>th</sup>, 2021 Council also received this presentation for information.

Council received a formal written request from Landscapes of Injustice for Stage 2 of the Past Wrongs Future Choices grant application on July 21<sup>st</sup>, 2021 (Appendix A). The letter identifies required commitments towards the project from the Township for phase two of the grant application by late September.

The proposed grant will fund:

- Research, design, fabrication, and installation of an interpretive panel on the 'Display Wall' in the Lobby of the Esquimalt Gorge Park Pavilion (Appendix B).
- Research, design, fabrication, and installation of 3 temporary interpretive displays for program exhibitions (3-6 months) in or around Esquimalt recreational facilities and/or around the Esquimalt Gorge Park Pavilion.
- Research, design, fabrication, and installation of 3 Garden Interpretive Panels for installation in the Gorge Park Japanese Gardens.
- Support a commitment to participate creatively to find opportunities for programming and events to enhance the above noted physical installations.

All interpretive materials will be developed by an expert committee convened by the PWFC project, including a representative of the Takata family, a representative of the Victoria Nikkei Cultural Society, representatives of the Township of Esquimalt and research staff of the PWFC project.

Project timeline: Spring 2022 (approx. March) to Spring 2029. Total 7-year active commitment, plus maintenance of long-term installations.

Should the PWFC grant application be successful, the Township would enter into an agreement with the collective and provide Council's approved commitments.
